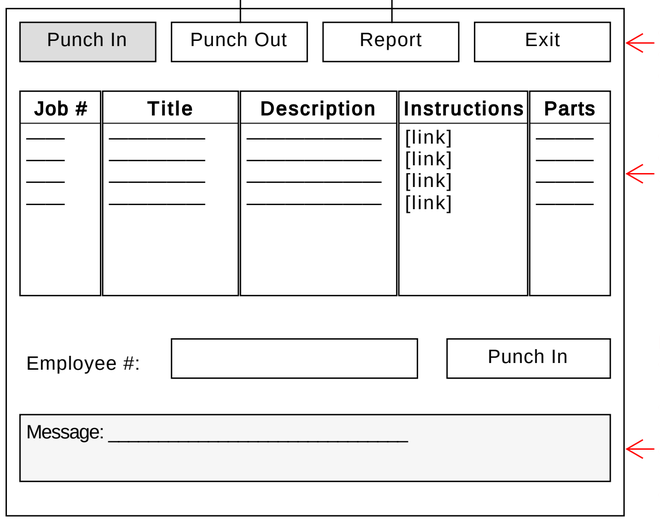
Punch In

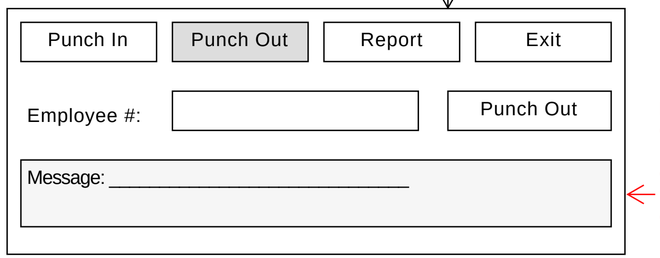


- Same menu bar on every screen
- Shaded button = current screen
- Black arrows: where each button leads

- Lists only jobs no one is working on
- Tap a row to select it (row is highlighted)
- Empty list: "No jobs are available right now."

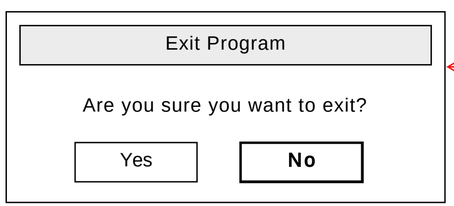
Message area shows:
- Invalid employee #:
  "Invalid employee number. Please try again."
- Punched in:
  "Successfully punched in to Job #____."
- Switched jobs:
  "Punched out of Job #____. Punched in to Job #____."
- No job selected:
  "Please select a job from the list."

Punch Out



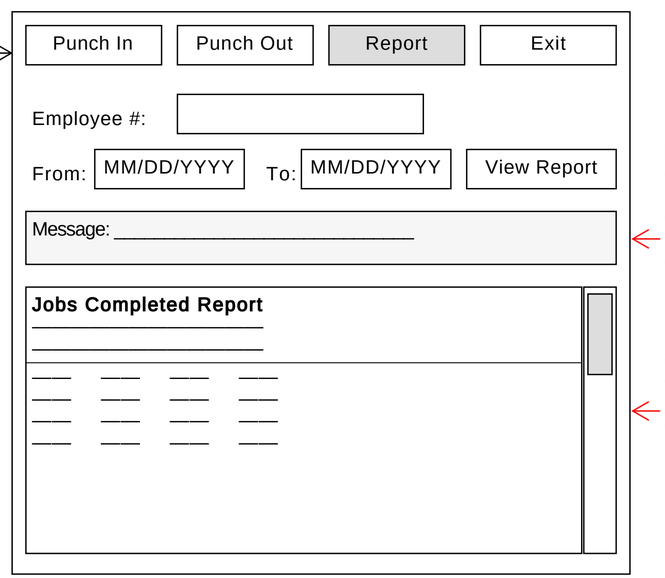
Message area shows:
- Punched out:
  "Successfully punched out of Job #____."
- Invalid employee #:
  "Invalid employee number. Please try again."
- Not punched in to any job:
  "Punch out failed: you are not punched in to any job."

Exit Confirmation (pop-up)



- Opens when Exit is clicked on any screen
- Yes: closes the program
- No: closes the pop-up, stays on the current screen
- No is the default button (Enter = No)

Report



Message area shows:
- Invalid employee #:
  "Invalid employee number. Please try again."
- To date before From date:
  "The To date must be on or after the From date."
- Missing or invalid date:
  "Please enter a valid date (MM/DD/YYYY)."

- Scrollable report area
- Contents and layout: see the
  Jobs Completed Report mockup
- No records in range:
  "No work records found for this period."
